The father who had the Power of Light, who can use the power of light as a weapon like a light beam, or a shield, or as the most powerful substance on earth that can power anything. The mother with the power of Earth, who can control plants and dirt/rocks, and the earth itself. The boy given the power of fusion. With a specific technique he learned at five he could fuse with every living thing, like a reptile, or a bug, even another human being.

Chapter 2 by Claire Rogan

But then the wars started. In the land of Losc, the once peaceful land, was now a ruin and shell of its former self.

The baby boy, now about fourteen, was named Jonathan. He was strong, handsome, and all the ladies loved him.

Jonathan wish he could say that. He was an outcast, a horror to the people. When his parents died at the hands of Arlus, the dark king when he was only five, Jonathan ran. The enslaved people of Losc frowned upon him.

People told Jonathan fires and blood spilled all across the land except for Losc. It was a blessing, but Losc would most likely be next.
